**Lead agencies listed in this document are typically identified by applicants in their initial applications. Registration by Finance of the agency specified in an act of grace application within Finance's Customer Relationship Management system does not mean the agency is aware of the application and/or have considered the matter. For this reason, some listed agencies may not be non-corporate Commonwealth entities (NCEs), and may be Corporate Commonwealth entities (CCEs). The act of grace mechanism is generally not available in respect of a matter that relates solely to the involvement of CCEs, which have a separate legal identity to the Commonwealth. A list of NCEs is available here: PGPA Flipchart.*
