Template instructions: Use this template for grants that will be judged against selection criteria and/or compared to other applications. Use it for grant opportunities undertaken through a single round, invitation or through multiple concurrent rounds. **NOTE:** Other guidelines templates, such as the demand-driven/one-off or ad hoc may be more appropriate to use.

Competitive, merit-based selection processes should be used to allocate grants, unless specifically agreed otherwise by a Minister, accountable authority or delegate ([Commonwealth Grants Rules and Guidelines](#) (CGRGs para 11.5)). This template can be used for:

- **open competitive** funding rounds which have open and closed nominated dates, with eligible applications being assessed against the nominated selection criteria (and against other applications);
- **targeted or restricted competitive** funding rounds which are open to a small number of potential grantees based on the specialised requirements of the grant activity under consideration;
- **a non-competitive, open process** under which applications may be submitted at any time over the life of the grant opportunity and are assessed individually against the selection criteria, with funding decisions in relation to each application being determined without reference to the comparative merits of other applications; and
- **a closed non-competitive process.** For example, where applicants are invited by the entity to submit applications for a particular grant and the applications or proposals are not assessed against other applicants' submissions but assessed individually against selection criteria.

The grant guidelines should contain all the information necessary for a potential applicant to understand:

- whether the grant opportunity may apply to them
- how to apply for a grant
- the processes and timeframes involved
- the roles and responsibilities of all relevant stakeholders
- the expectations if their application is successful.

To promote consistency across government **DO NOT** amend/delete/replace Level 1 headings.

When using this template, delete the shaded instruction boxes and use text in square brackets to meet the needs of the grant program/opportunity. The text in square brackets has been drafted with a whole-of-government perspective, but can be amended as the circumstances of the grant opportunity dictate.

Section and text prefaced with the words [if applicable] can be deleted.

Users should prepare the grant guidelines with the potential grantee as the audience. With this in mind, 'you' refers to potential applicants.

Grant guidelines should be clear, consistent, fit for purpose and align with the principles of the CGRGs. The content and complexity of grant guidelines and related processes should be proportional to the grant program, grant activity(ies), and likely grantee(s).

1. [Program name]: [Grant opportunity name] processes

Template instructions: Modify this **Process Flowchart** as appropriate.

1.1 Introduction

Grant opportunity guidelines, which cover multiple grant rounds, should use the same eligibility and assessment criteria. This works well for opportunities that cover different regions. However, if the grant opportunity guideline is to cover concurrent rounds with different objectives, eligibility and assessment criteria, it is more straightforward to develop separate guidelines for each opportunity. Use Section 2 to clarify the relationship between rounds in the grant program.

For grant opportunities that contribute to a high-level program, use only the relevant high-level details that provide context to this specific opportunity. If there are linked grant opportunities that an applicant ought to be aware of, include information on those grant opportunities in this section.

These guidelines contain information for the [grant opportunity name] grants.

[insert any additional text to provide context for applicants]

You must read these guidelines before filling out an application.

This document sets out:

- the purpose of the grant program/grant opportunity
- the eligibility and assessment criteria
- how grant applications are considered and selected
- how grantees are notified and receive grant payments
- how grantees will be monitored and evaluated
- responsibilities and expectations in relation to the opportunity.

[If applicable] This grant opportunity and process will be administered by the [Business /Community Grants] Hub on behalf of the [relevant entity].

2. About the grant program

Template instructions: All programs are either [Portfolio Budget Statement](#) (PBS) programs or component programs of a PBS program. If the program is a component program of a PBS program, include the PBS program name. **Note:** Information on grants awarded is reported on GrantConnect and linked to the PBS program.

Describe the grant program including whether it has a single grant opportunity or multiple grant opportunities. The description of the grant program can include information on:

- the purpose of the grant program
- context, history, or related programs (including PBS program) or grant opportunities
- the scope and timeframe for the program
- the Australian Government's policy objectives for the grant program, including relevant targets, outcomes and deliverables
- key performance indicators and how they will be measured
- other relevant information.

If the grant program has multiple grant opportunities, include information about timing of future opportunities.

Where the grant program has only a single opportunity (for example the program and the opportunity are the same), delete section 2.1.

For a program with multiple grant opportunities, provide high-level summary information at section 2 and provide the opportunity specific information at section 2.1.

The grant program objective(s) is the purpose that the program has been established to achieve. Objectives should be concise, unambiguous and measurable. They should clearly link to the policy outcomes of the Government and be consistent with the relevant Commonwealth entity's strategic plan. Deliverables/outputs/targets/goals contribute to the achievement of the overall program objective. These are often smaller 'building blocks' in the progress towards achieving the high level outcome.

The [grant program name] (the program) will run over [xx] years from [yyyy-yy to yyyy-yy]. [If applicable] The program was announced as part of the [enter relevant program/measure or strategy].

[Insert other relevant information e.g. purpose].

The objectives of the program are:

- [objective 1]
- [objective 2]

The intended outcomes of the program are:

- [outcome 1]
- [outcome 2]

[If applicable, include any other relevant information for example, priorities/key elements]

We administer the program according to the [Commonwealth Grants Rules and Guidelines](#) (CGRGs)¹.

2.1 About the [name of] grant opportunity

Template instructions: Include this section if applicable.

Provide information about the grant opportunity and how it relates to the grant program. Clearly explain the purpose of the grant opportunity and the outcomes required to achieve the grant opportunity's intended objectives. Outline the specific objectives and outcomes that are particular to this grant opportunity.

Outcomes should be concise, unambiguous and measurable and clearly link to the grant program objectives and outcomes set by the Government and detailed in section 2 above. Include key performance indicators.

Clearly state any priorities, for example, specific attributes such as industry sector, regions or business type (for example, university or not for profit organisations) that are key to the grant opportunity.

Ensure the grant opportunity has a unique name, which is used consistently.

Where there is only one grant opportunity in the program, this information should be included in Section 2 and this section may be deleted.

¹ <https://www.finance.gov.au/sites/default/files/commonwealth-grants-rules-and-guidelines.pdf>

To add additional grant opportunities to this template, copy and paste section 2.1 (this section) and renumber accordingly. Where these guidelines outline more than one grant opportunity, repeat this section for each grant opportunity.

If there are multiple grant opportunities within the program, include details of how this opportunity fits with other opportunities.

[If applicable] This grant opportunity was announced as part of the [enter relevant program/measure or strategy].

[include any relevant information on the grant opportunity]

The objectives of the grant opportunity are:

- [objective 1]
- [objective 2].

The intended outcomes of the grant opportunity are:

- [outcome 1]
- [outcome 2].

3. Grant amount and grant period

Template instructions. This section should clearly outline the grant funding available through the program and opportunity. Provide information on:

- the value of the total grant program and the funding available for this grant opportunity (repeat if there are multiple opportunities)
- the minimum or maximum amount per grant
- any pre-determined amount or formula per grant that applies.

Where grant funding is divided into categories, geographical or otherwise, provide this information.

Provide information on whether the grant has an activity period, and a separate evaluation or reporting period in this section.

3.1 Grants available

The Australian Government has announced a total of \$[xxx] over [xx] years for [name of program]. [For this grant opportunity \$[xxx] is available over [xx] years.]

[If applicable] The grant opportunity will run from [date] to [date].]

- The minimum grant amount is \$[minimum grant amount].
- The maximum grant amount is \$[maximum grant amount].
- [or] It is anticipated that most grants will be between \$[XXX]-\$[XXX], depending on the scope of the grant activity and its complexity.
- [or] There is no maximum grant amount but grants cannot exceed the amount of available funds.

[If applicable] [You are required to contribute towards the [grant activities or project/services]. The grant amount will be up to [grant percentage] per cent of eligible expenditure [or a specific set

amount].] [You cannot use funding from other Commonwealth, state, territory or local government sources to fund your share of eligible expenditure.]

[If applicable] No more than [usually grant percentage] per cent of your total costs can be funded from [Commonwealth, state or territory, or local] government grants. [You cannot use funding from other Commonwealth, state, territory or local government sources to fund your share of eligible expenditure.]

3.2 [Grant/Project] period

[If applicable] The maximum grant period is [maximum grant period] years.

[If applicable] You must complete your grant/project by [insert date]. Following the grant/project period, an evaluation period of [state length] will commence.

[or]

[If applicable] The maximum period of this grant is XX years. After this period, you will be expected to provide reporting on [detail the expected information] for a further XX years.

[or]

[If applicable] We may approve a further [maximum extension period] extension provided you [insert details of what is expected].

4. Eligibility criteria

Template instructions: Include information on any eligibility criteria that must be met, for a grant application to be considered.

If relevant, include details about whether eligibility criteria can be waived, including the circumstances in which this could occur, who will decide, and on what basis. Where eligibility and/or assessment criteria are waived, decisions to approve grants should still be consistent with the policy for the grant opportunity and/or the applicable published objectives.

We cannot consider your application if you do not satisfy all the eligibility criteria.

[or]

[If applicable] The eligibility criteria may be waived or amended if [insert circumstances].

We cannot provide a grant if you receive funding from another government source for the same purpose.

[or]

You can apply for grants under any Commonwealth program, but if your applications are successful, you must choose either the [grant opportunity] grant or the other Commonwealth grant.

4.1 Who is eligible to apply for a grant?

Template instructions: List the types of organisations and/or individuals that are eligible to receive a grant.

If applicants are only eligible due to their physical location or the nature of the organisation (e.g. an accredited aged care home or university), or must meet any other conditions, this information should be included.

If there is a defined list of eligible applicants, list these here and provide the rationale for this decision.

Add to or delete the examples as appropriate.

To be eligible you must:

- have an Australian Business Number (ABN)
- be registered for the purposes of GST
- be a permanent resident of Australia
- have an account with an Australian financial institution
- be located in [region]

and be one of the following entity types:

- a company incorporated in Australia
- a company incorporated by guarantee
- an incorporated trustee on behalf of a trust

Template instructions: This section is optional. Where applicants must meet other eligibility conditions, include them in this section.

Add or delete from the examples below as required.

[If applicable] We can only accept applications:

- from [insert name of eligible applicant type (e.g. Primary Health Networks)]
- from [insert name of eligible applicant type (e.g. a business employing less than 15 employees)].
- where you can provide evidence from your board (or chief executive officer or equivalent if there is no board) that the [grant activity or project/service] is supported, and that you can complete the [grant activity or project/service] and meet the costs of the [grant activity or project/service] not covered by the grant.
- where you can provide evidence of how you will provide your share of [grant activity or project/service] costs, such as an Accountant Declaration, that confirms you can fund your share of the [grant activity or project/service] costs. You must use the Accountant Declaration form provided as part of this grant opportunity.

² The Australian Government recognises that some organisations may seek to form consortia in order to apply for a grant under the Program. Consortia are eligible to apply and the relevant conditions applicable to consortia are at 7.2 'Joint Applications'

[If applicable] The list of eligible applicants was determined [insert the reasoning behind why there is a targeted list and how it was determined].

4.2 Who is not eligible to apply for a grant?

Template instructions: This section is optional. Use this section if there are particular types of organisations and/or individuals who are ineligible to apply for a grant and section 4.1 does not exclude them sufficiently.

Note: payments from one non-corporate Commonwealth entity to another non-corporate Commonwealth entity are notional payments (defined in Section 76 of the [Public Governance, Performance and Accountability Act 2013 \(PGPA Act\)](#)) and are not grants.

Delete or add from the examples below.

You are not eligible to apply if you are:

- a Commonwealth, state, territory or local government agency or body (including government business enterprises)
- an individual
- unincorporated association
- overseas resident/organisation

Some examples are provided. Add or delete as required.

Where we ask applicants to declare compliance with regulations (in Section 10.2), these should be listed here.

[If applicable] If you are successful, [all/ relevant] personnel working on the [grant activity or project/services] must maintain the following [qualifications/skills/accreditation/registration/checks]:

- Working with Vulnerable People registration
- Working with Children check
- Australian Skills Quality Authority accreditation

[If applicable] Your organisation must maintain the following [accreditation/ registration]:

- [insert relevant requirements]

5. What the grant money can be used for

5.1 Eligible grant activities

Template Instructions: List all eligible grant activities that the grant can be used for, as well as any costs that may be paid with the grant, for example, projects/tasks/services etc.

Most grant opportunities will only require grant activities.

If the grant is for a specific type of eligible grant activity, include the relevant details here. Wherever possible, include examples, particularly if there is any ambiguity regarding items on the list.

If there is a grant opportunity, which requires the type(s) of project to be listed, separate to the grant activities, add this information here.

[Select if applicable] To be eligible your [grant activity or projects/services] must:

- [list or describe eligible grant activities or project/service delivery requirements]
- have at least [minimum \$] in eligible expenditure
- Eligible activities must directly relate to the project and can include:
 - [list eligible project activities here]

5.2 Eligible locations

Template Instructions: This section is optional. Include a paragraph listing any location restrictions that apply to the grant program. An example is below.

[Your grant can include activities at different locations, as long as they are all in Queensland]

[or]

[If applicable] Your [grant activities or project/services] must be delivered in the following locations:

- [list service area 1]
- [list service area 2]

5.3 Eligible expenditure

You can only spend the grant on eligible expenditure you have incurred [on eligible grant activities or agreed project activities].

Eligible expenditure items are:

- [Eligible expenditure item 1 (i.e. capital costs, wages, utilities, etc.)]
- [Eligible expenditure item 2]
- [Etc].

[or]

- For guidance on eligible expenditure, see Appendix A.
- We may update the guidelines on eligible and ineligible expenditure from time to time. If your application is successful, the version in place when you submitted your application applies to your [grant activity, project/services].
- [If applicable] [If your application is successful, we may ask you to verify project costs that you provided in your application. You may need to provide evidence such as quotes for major costs.]
- Not all expenditure on your [grant activity, project/services] may be eligible for grant funding. The Program Delegate makes the final decision on what is eligible expenditure and may give additional guidance on eligible expenditure if required.

You must incur the expenditure on your [grant activities or project/services] between the start date and end or completion date for your [grant activity/grant agreement] for it to be eligible.

[include any other relevant information]

5.4 What the grant money cannot be used for

Template instructions: List any ineligible activities, as well as any costs that cannot be paid from the grant. Wherever possible, include examples.

Ineligible activities may include: proposed granting activities outside of Australia; marketing campaigns by the applicant; activities that are already funded on an ongoing basis by other Australian, state or territory, or local government programs; or activities that commenced prior to the grant agreement being finalised, such as capital costs.

Add or delete as required, the following are a set of examples only.

You cannot use the grant for the following activities:

- purchase of land
- wages
- major capital expenditure
- the covering of retrospective costs
- costs incurred in the preparation of a grant application or related documentation
- subsidy of general ongoing administration of an organisation such as electricity, phone and rent
- major construction/capital works
- overseas travel, and
- activities for which other Commonwealth, state, territory or local government bodies have primary responsibility.

Template instructions: This section is optional, delete if not relevant.

The following text is only needed where the applicant is required to make a funding contribution towards the grant activity and where we outline eligible and ineligible expenditure in appendices.

[Insert any additional context]

[If applicable] Expenditure items that are not eligible are:

- [Ineligible expenditure item 1]
- [Ineligible expenditure item 2]
- [or]
- For guidance on ineligible expenditure, see Appendix B.

6. The assessment criteria

Template instructions: Assessment criteria are additional to eligibility criteria. If applications are only to be assessed against eligibility criteria, the demand-driven grant opportunity guidelines template should be used.

Assessment criteria are the specified principles or standards against which applications will be judged. These criteria are used to assess the merits of proposals and, in the case of a competitive grant opportunity, to determine application rankings.

Assessment criteria should clearly link to the grant program and grant opportunity objectives. Detail all assessment criteria in this section. Where some criteria are relevant to only some

applications, include this information. If relevant, note any word limits provided in the application form.

The assessment criteria should:

- be unambiguous to enable applicants to understand on what basis their applications will be assessed and what they need to provide to verify their responses
- allow for consideration of value with relevant money in assessing the ability of the application to meet the policy objectives of the grant program or grant opportunity (a grant should add value by achieving something worthwhile that would not occur without the grant)
- be structured in a way to provide the assessors with objective guidance in how to assess each criteria
- in the event of oversubscription, provide information on whether further prioritisation criteria will apply, i.e. location, policy priority or target groups.

Be specific about the required information sought for each criterion. This will help applicants to better target their applications and assist assessors.

State the weighting of each criterion in the assessment process. If the selection process occurs in two-stages, (for example, an expression of interest followed by a full application) this should be noted here and the criteria should express what applicants are required to do in each of the stages. For example, applicants may only need to provide a broad proposal for their grant activity and how it will address a particular need, or policy outcome.

Consider whether grant applicant and grant activity risk should be considered through inclusion in the assessment criteria.

Where applicants are required to demonstrate compliance with regulations, for example, have a Work Health & Safety (WH&S) plan (see section 10.2) this should be included as an assessment criteria.

You must address [all/some] of the following assessment criteria in the application. We will assess your application based on the weighting given to each criterion.

[or] All criterion have equal weighting.

The amount of detail and supporting evidence you provide in your application should be relative to the size, complexity and grant amount requested.

[If applicable] The application form includes text limits [indicate limits].

[If applicable] We will only award funding to applications that score highly against all assessment criteria.

[Insert any other relevant information]

Criterion 1

[Insert Criterion 1] [include weight of criterion e.g. xx points]

You [must/should] demonstrate this through identifying:

- [indicator 1a]
- [indicator 1b]
- [indicator 1c]

Criterion 2

[insert Criterion 2] [include weight of criterion e.g. xx points]

You [must/should] demonstrate this through identifying:

- [indicator 2a]
- [indicator 2b]
- [indicator 2c]

Criterion 3

[Insert Criterion 3] [include weight of criterion e.g. xx points]

You [must/should] demonstrate this through identifying:

- [indicator 3a]
- [indicator 3b]
- [indicator 3c]

[Insert additional criteria as required]

7. How to apply

Template Instructions: Outline the application process. Include all steps and links to important documentation and any forms the potential applicant must complete.

If an applicant may submit a proposal without using a provided application form, please provide information on this process.

There should be no information in the application form that is not in the grant opportunity guidelines.

State how many applications an applicant may submit (e.g. 'one application per applicant per region will be assessed. If more than one application for the same activity is submitted, only the latest application will be considered').

Before applying, you must read and understand these guidelines, [and as applicable] the sample application form and the sample grant agreement.

These documents may be found at [GrantConnect](#). Any alterations and addenda³ will be published on GrantConnect and by registering on this website, you will be automatically notified on any changes. GrantConnect is the authoritative source for grants information.

To apply you must:

- [complete the online [grant opportunity] application form on [insert website name and link] or [complete the attached application form]
- provide all the information requested
- address all eligibility criteria and assessment criteria
- include all necessary attachments
- [list any application restrictions specific to the program]
- submit your application/s to [insert details] by [insert the closing date and time].

³ Alterations and addenda include but are not limited to: corrections to currently published documents, changes to close times for applications, Questions and Answers (Q&A) documents and Frequently Asked Questions (FAQ) documents

You are responsible for ensuring that your application is complete and accurate. Giving false or misleading information is a serious offence under the [Criminal Code 1995](#) and we will investigate any false or misleading information and may exclude your application from further consideration.

If you find an error in your application after submitting it, you should contact us immediately on [insert number/contact details]. [If applicable] We do not have to accept any additional information, nor requests from you to correct your application after the closing time.

[If applicable] You cannot change your application after the closing date and time.

If we find an error or information that is missing, we may ask for clarification or additional information from you that will not change the nature of your application. However, we can refuse to accept any additional information from you that would change your submission after the application closing time.

You should keep a copy of your application and any supporting documents.

We will acknowledge that we have received your application within [two/three etc.] working days.

[If applicable] If you need further guidance around the application process or if you are unable to submit an application online contact us at [insert website name and link] or by calling [insert number].

7.1 Attachments to the application

Template instructions: Include information about allowable attachments.

Only request attachments that will be used in the selection process, such as those that help to determine eligibility of an applicant or assist in assessing the application. To reduce the burden and minimise red-tape, we should not seek information from potential applicants that is collected by other parts of the entity or other Commonwealth entities and which is available.

The application form should not include detail beyond what we request here.

The following are some examples, add or delete as required.

We require the following documents with your application:

- a business case
- an indicative budget
- a project management plan
- a risk management plan
- evidence of funding strategy, e.g. financial statements, loan agreements, cash flow documents
- evidence of support from your organisation's board, CEO or equivalent (sample letter provided on [insert website name and link, use GrantConnect if this is a required template rather than an optional sample])
- trust deed
- accountant declaration (sample template provided on [insert website name and link, use GrantConnect if this is a required template rather than an optional sample])
- [insert details].

[If applicable] You must attach supporting documentation to the application form in line with the instructions provided within the form. You should only attach requested documents. We will not consider information in attachments that we do not request.

7.2 Joint (consortia) applications

Template instructions: This section is optional; delete if not relevant. If joint applications are eligible, ensure this is consistently noted in both this section and the section on 'eligibility'. Clarify if all partners in a joint application must meet all the eligibility criteria or only the lead applicant.

When asking for details of joint applicants and letters of support, evidence should be commensurate with the size and scale of the grant activities.

Ensure the requirement for evidence in these guidelines aligns with the application form.

We recognise that some organisations may want to join together as a group to deliver [a grant activity or project/services].

In these circumstances, you must appoint a 'lead organisation'. Only the lead organisation can submit the application form and enter into a grant agreement with the Commonwealth. The application must identify all other members of the proposed group [and include a letter of support from each of the partners].

Each letter of support should include:

- details of the partner organisation
- an overview of how the partner organisation will work with the lead organisation and any other partner organisations in the group to successfully complete the [grant activity or project/services].
- an outline of the relevant experience and/or expertise the partner organisation will bring to the group
- the roles/responsibilities of the partner organisation and the resources they will contribute (if any)
- details of a nominated management level contact officer.

You must have a formal arrangement in place with all parties prior to execution of the agreement.

7.3 Timing of grant opportunity processes

Template instructions: Provide information on the expected timeframes. Include all relevant information about application timing, including:

- expected timing for application assessment
- expected timing for notification of application outcome
- an indicative date that the grant is expected to take effect.

You must submit an application between the published opening and closing dates. We cannot accept late applications.

[or] We will only accept a late application where [give details and explain the circumstances under which a late application will be considered].

[or] You can submit an application at any time over the duration of the grant opportunity. [If applicable] The grant opportunity will run from [date] to [date].]

If you are successful, we expect you will be able to commence your [grant activity or project/services] around [month] [year].

Table 1: Expected timing for this grant opportunity

Activity	Timeframe
Assessment of applications	4 weeks [OR include quarter or a specific date]
Approval of outcomes of selection process	4 weeks [OR include specific dates]
Negotiations and award of grant agreements	1-3 weeks [OR include specific dates]
Notification to unsuccessful applicants	2 weeks [OR include specific dates]
Earliest start date of [grant activity or project/services]	MM/YYYY
End date of grant activity or agreement	DD/MM/YYYY

[Alternatively, you can delete the table and include text detailing the likely timeframes for assessing applications, negotiating grant agreements, notifying unsuccessful grant applicants etc.].

7.4 Questions during the application process

Template Instructions: Set out any processes for receiving or responding to questions during the application period.

[If applicable] If you have any questions during the application period, contact [add relevant Commonwealth entity/Hub] or by calling [insert number].

The [relevant Commonwealth entity/Hub] will respond to emailed questions within [two/three] working days. [If applicable] [Answers to questions will be posted on [GrantConnect](#)].

8. The grant selection process

Template instructions: Provide information on how grant applications will be selected (for example, if they will be shortlisted, benchmarked, or peer reviewed; if financial or compliance checks are undertaken; which assessment methodology will be used, etc.). This may involve:

- eligibility checks of applications against the eligibility criteria
- assessment of applications against the assessment criteria, or
- assessment of applications against both the assessment criteria and comparative assessment against other applications.

For non-competitive opportunities, if applications are assessed and awarded in the order in which the applications are received, include information on this process.

NOTE: Non-competitive opportunities, where grants are given based on eligibility only, should use the Demand-Driven template.

If a staged selection process will be undertaken, this information should be included here. An example of this would be a two-stage process, which includes an expression of interest process followed by successful applicants at the second stage being invited to complete a full application.

The PGPA Act and the CGRGs require all commitments of public resources to be efficient, effective, economical and ethical. For a grant, this includes assessing the merits of the

application relative to the grant guidelines and the prime consideration of achieving value with relevant money.

8.1 Assessment of grant applications

We [first] review your application against the eligibility criteria.

[or] [Only eligible applications will move to the next stage]. We consider eligible applications through an [open competitive] [targeted or restricted competitive] [an non-competitive, open] [a closed non-competitive] grant process.

[Include details of the selection process]

[Competitive process] If eligible, we will then assess your application against the assessment criteria (see Section 6) and against other applications. We consider your application on its merits, based on:

- how well it meets the criteria
- how it compares to other applications
- whether it provides value with relevant money.⁴

[or]

[Non-competitive process] We will then assess your application against the assessment criteria (see Section 6). We consider your application on its merits, based on:

- how well it meets the criteria
- whether it provides value with relevant money.

Template instructions: Include details of the specific matters that will be considered to determine value with relevant money for this grant opportunity.

The following are examples. Add or delete as appropriate.

When assessing the extent to which the application represents value with relevant money, we will have regard to:

- the overall objective/s to be achieved in providing the grant
- the relative value of the grant sought
- extent to which the geographic location of the application matches identified priorities
- the extent to which the evidence in the application demonstrates that it will contribute to meeting the outcomes/objectives.
- How the grant activities will target groups or individuals.

[Insert any further details]

8.2 Who will assess applications?

Template instructions: Clearly define the roles and responsibilities of all parties involved.

Provide information on who will assess the grant applications and how that process will occur. For example, where an assessment committee or an expert panel [which is taken to comprise of/ include non-government members] is to be used, indicate who will be on the committee or panel and how they will be utilised, particularly if independent panels or state office

⁴ See glossary for an explanation of 'value with money'.

assessments are used. If external expert assessors will be involved in this process, provide sufficient detail to allow the applicants to meaningfully declare any conflicts of interest.

Discuss the entity's role.

If the assessment of applications involves a staged approach, outline who will be involved in each stage.

Provide details on the planned assessment methodology and include the rating scale.

An [assessment committee] [expert panel] will assess each application on its merit [and compare it to other eligible applications before recommending which grant applications should be awarded a grant]. The assessment committee will be made up of [insert details including the position of the Chairperson if known].

[If applicable] [We may ask external experts/advisors to inform the assessment process. Any expert/advisor, who is not a Commonwealth Official, will be required/expected to perform their duties in accordance with the CGRGs]. [Include relevant details of experts/advisors if possible]

[If applicable] [The assessment committee may seek additional information about you or your application. They may do this from within the Commonwealth, even if the sources are not nominated by you as referees. The assessment committee may also consider information about you or your application that is available through the normal course of business.]

The assessment committee [or expert panel] recommends to the [Program Delegate/Minister] which applications to approve for a grant.

[Insert any further details]

8.3 Who will approve grants?

Template Instructions: Clearly outline who will be the decision maker, for example, the relevant Minister or a program delegate. If the decision maker is a delegate, include their title, for example, Assistant Secretary of XXX Branch.

The [insert decision maker details] decides which grants to approve taking into account the recommendations of the [assessment committee/expert panel] and the availability of grant funds for the purposes of the grant program.

The [Program Delegate's/Minister's] decision is final in all matters, including:

- the approval of the grant
- the grant funding amount to be awarded
- [If applicable] the terms and conditions of the grant.

[If applicable] There is no appeal mechanism for decisions to approve or not approve a grant.

9. Notification of application outcomes

We will advise you of the outcome of your application in writing. If you are successful, we will advise you of any specific conditions attached to the grant.

[If applicable] If you are unsuccessful, we will give you an opportunity to discuss the outcome.

[If applicable] You can submit a new application for the same grant (or a similar grant) in any future grant opportunities under the program. You should include new or more information to address any weaknesses that may have prevented your previous application from being successful.

9.1 Feedback on your application

If you are unsuccessful, you may ask for feedback within [include timeframe] of being advised of the outcome. We will give written feedback within [one month] of your request.

9.2 Further grant opportunities

Template instructions: This section is optional, delete if not relevant.

Outline how the Commonwealth entity will seek to fill any gaps or meet policy objectives if this grant program or grant opportunity does not receive enough suitable applications. This might be addressed through delivering subsequent grant opportunities as competitive, targeted or closed non-competitive processes.

[If applicable] If there are not enough suitable applications to meet the program's objectives, we will, [insert details].

10. Successful grant applications

10.1 The grant agreement

Template instructions: Change as required, to ensure that this section correctly refers to either the letter of agreement, simple or standard grant agreement. Should more than one type of grant agreement be used, state this and give information on the circumstances in which the different types of grant agreement are applicable.

Delete this section if the grants will not require a grant agreement.

Include information on any additional requirements. This information might be in a summary form or detailed, depending on the particulars of the grant opportunity. Requirements might include:

- specific service standards
- meeting targets, milestones or timelines
- collecting and supplying data
- submitting reports and/or acquittals
- participating in an evaluation
- undertaking risk management
- facilitating site visits by the Commonwealth.

Note: In determining which grant agreement is the most appropriate, you should consider a range of factors such as value, duration of grant, experience of the grantee etc. Monetary thresholds should **NOT** be the primary determinant of the type of agreement used.

You must enter into a legally binding grant agreement with the Commonwealth. [We use the [simple/standard/exchange of letters/letter of agreement] grant agreement in this program.]

[or] [We use two types of grant agreements in this program. Our selection will depend on the size and complexity of your [grant activities] [project/services].

Each agreement has general terms and conditions that cannot be changed. Sample grant agreements are available on [GrantConnect]. [A sample grant agreement is available on [insert website name and link]. [We will use a schedule to outline the specific grant requirements].

[If applicable] We must execute a grant agreement with you before we can make any payments. [We are not responsible for any of your expenditure until a grant agreement is executed. If you choose to start your [grant activities] [project] before you have an executed grant agreement, you do so at your own risk.] [You must not start any [program name] activities until a grant agreement is executed.]

[If applicable] Your grant agreement may have specific conditions determined by the assessment process or other considerations made by the [Program Delegate/Minister]. We will identify these in the agreement.

The Commonwealth may recover grant funds if there is a breach of the grant agreement.

Template Instructions: Where the program uses more than one grant agreement, provide sub-headings and describe the arrangements around the different types of agreements separately. Where the program uses only one type of grant agreement, sub-headings are not necessary and the language may change slightly. Delete as appropriate.

Letter of Agreement

This grant agreement comprises [if applicable - your completed application form and] the letter of agreement we send advising that your application has been successful. We consider the agreement to be executed (take effect) from the date of our letter of agreement.

[or]

We will send you a letter of agreement advising that your application has been successful and providing you with an offer. You accept the offer by signing and returning the letter of agreement to us. We consider the agreement to be executed (take effect) from the date you sign the letter.

[insert any other relevant details]

Simple Grant Agreement and/or Standard Grant Agreement

We will use a [simple grant agreement and/or standard grant agreement].

[If applicable] You will have 30 days from the date of a written offer to execute this grant agreement with the Commonwealth ('execute' means both you and the Commonwealth have signed the agreement). During this time, we will work with you to finalise details.

The offer may lapse if both parties do not sign the grant agreement within this time. Under certain circumstances, we may extend this period. We base the approval of your grant on the information you provide in your application.

[If applicable] You may request changes to the grant agreement. However, we will review any required changes to these details to ensure they do not impact the grant as approved by the [Minister/Program Delegate].

[Insert any other relevant details]

10.2 Specific legislation, policies and industry standards

Template Instructions: This section is optional. Delete if not required.

It is not necessary to restate requirements that already exist in law. This section should be used where grantees will be required to demonstrate or declare that they comply with specific requirements for example, an industry standard, the [Building Code](#) or [Work, Health and Safety](#).

If compliance with specific legislation, policies such as child protection or multicultural access and equity policies, or industry standards are to be used to determine a potential grant applicant's eligibility, this should be outlined in section 4.

[If applicable] Whilst you are required to be compliant with all relevant laws and regulations, you [may/will] be requested to demonstrate compliance with the following legislation/policies/industry standards:

[list requirements]

[If applicable] To be eligible for a grant, you must declare in your application that you comply with these requirements. You [may/will] need to declare you can meet these requirements in your grant agreement with the Commonwealth.

[add other specific regulatory requirements]

[insert any other relevant details].

10.3 How we pay the grant

Template Instructions: This section is required for all grants that have a grant agreement. It should outline how we pay the grant.

The grant agreement should at a minimum, define grant activity deliverables, schedule payments (according to progress), specify reporting requirements and acquittal procedures (if required) which are proportional to the risks involved. We should ensure that grant agreements are supported by ongoing communication, active grants management and performance monitoring requirements that are proportional to the risks involved.

Where a grant agreement is not required, for example, for rebate payments, state the arrangements that will apply.

The grant agreement will state the [add or delete as required]:

- maximum grant amount to be paid
- proportion of eligible expenditure covered by the grant (grant percentage)
- any financial contributions you must make
- any in-kind contributions you will make
- any financial contribution provided by a third party
- [any other requirements]

[If applicable] We will not exceed the maximum grant amount under any circumstances. [If applicable] If you incur extra costs, you must meet them yourself.

[insert relevant arrangements where a grant agreement is not required].

Template Instructions: Select the appropriate section if applicable and delete all others.

Note: In the case of single up-front payments, where payments are made in advance, there should be a net benefit in doing so. A documented risk assessment and cost benefit analysis will assist in establishing whether payment in advance of need is warranted and, if so, the proportion of the grant that should reasonably be paid.

[Single Upfront Payment]

We will pay 100 per cent of the grant on execution of the grant agreement. You will be required to report how you spent the grant funds at the completion of the [grant activity or project/services].

[Single payment at completion]

We will pay 100 per cent of the grant on completion of the [grant activities or project/services]. We will pay this when you submit a satisfactory final report demonstrating you have completed outstanding obligations for the [grant activity or project/services].

[Advance payments]

We will make an initial payment on execution of the grant agreement. We will make subsequent payments [quarterly, six monthly, annually, as you achieve agreed milestones etc.] in advance, based on your forecast eligible expenditure and adjusted for unspent amounts from previous payments. Payments are subject to satisfactory progress.

We set aside [retention amount] per cent of the total grant funding for the final payment. We will pay this when you submit a satisfactory final report demonstrating you have completed outstanding obligations. We may need to adjust your progress payments to align with available grant program funds across financial years and/or to ensure we retain a minimum [retention amount] per cent of grant funding for the final payment.

[Initial advance payment followed by payments in arrears]

We will make an initial payment on execution of the grant agreement. We will make subsequent payments in arrears, [quarterly, six monthly, annually, based on your progress against milestones etc.] and based on your actual eligible expenditure. Payments are subject to satisfactory progress.

We set aside [retention amount] per cent of the total grant funding for the final payment. We will pay this when you submit a satisfactory final report demonstrating you have completed outstanding obligations. We may need to adjust your progress payments to align with available grant program funds across financial years and/or to ensure we retain a minimum [retention amount] per cent of grant funding for the final payment.

[Progress payments]

We will make payments according to an agreed schedule set out in the grant agreement. Payments are subject to satisfactory progress on the [grant activity or project/services].

[Payments in arrears]

We will make payments [quarterly, six monthly, annually, based on your progress against milestones etc.] in arrears, based on your actual eligible expenditure. Payments are subject to satisfactory progress on the [grant activity or project/services].

We set aside [retention amount] per cent of the total grant funding for the final payment. We will pay this when you submit a satisfactory final report demonstrating you have completed outstanding obligations. We may need to adjust your progress payments to align with available grant program funds across financial years and/or to ensure we retain a minimum [retention amount] per cent of grant funding for the final payment.

10.4 Grants Payments and GST

[If applicable] 'Payments will be GST Inclusive'. [If applicable] If you are registered for the [Goods and Services Tax \(GST\)](#), where applicable, we will add GST to your grant payment and issue you with a [Recipient Created Tax Invoice](#).

Grants are assessable income for taxation purposes, unless exempted by a taxation law. We recommend you seek independent professional advice on your taxation obligations or seek

assistance from the [Australian Taxation Office](#).⁵ We do not provide advice on your particular taxation circumstances.

11. Announcement of grants

Template instructions: Change as required. Document any circumstances where information on grants awarded may not be provided, consistent with the CGRGs and reference the decision maker. For example:

- decisions to report grants to individuals in an aggregated summary format to address privacy concerns.

If successful, your grant will be listed on the GrantConnect website 21 calendar days after the date of effect as required by Section 5.3 of the [CGRGs](#).

[or] [insert details on what information will or will not be published and the reasons for this decision].

12. How we monitor your grant activity

Template instructions: Clearly outline the responsibilities of the grantee, the Commonwealth entity and any other relevant parties. Insert a summary of any likely requirements that the grantee will need to comply with. This section may be very brief for grants established using a letter of agreement.

Only request information or impose requirements that will be used to facilitate the administration of grant payments and maintain accountability, as well as monitor and evaluate the grant. Requesting gratuitous information creates red tape for grantees.

The suggested dot points below are optional, please change and delete as required.

12.1 Keeping us informed

You should let us know if anything is likely to affect your [grant activity or project/services] or organisation.

[If applicable] We need to know of any key changes to your organisation or its business activities, particularly if they affect your ability to complete your grant, carry on business and pay debts due.

[If applicable] You must also inform us of any changes to your:

- name
- addresses
- nominated contact details
- bank account details.

[if applicable] If you become aware of a breach of terms and conditions under the grant agreement, you must contact us immediately.

[If applicable] You must notify us of events relating to your grant and provide an opportunity for the Minister or their representative to attend.

[insert any other requirements]

12.2 Reporting

Template Instructions: Delete the sections that are not relevant to the grant opportunity.

There are no mandatory reporting requirements for grantees in the CGRGs. Apply the proportionality principle when determining the reporting and acquittal requirements for grants and have regard to information collected by Australian Government regulators that is available. Determine the volume, detail and frequency of reporting requirements, proportional to the risks involved and policy outcomes being sought.

Inappropriately or inflexibly applied entity standards and accountability frameworks could deter potential grantees. For example, requiring small businesses or not-for-profit entities to report in the same manner as large corporate organisations may not be appropriate. Similarly, poorly formulated reporting requirements, which focus on outputs rather than outcomes, can be overly burdensome, whilst stifling innovation by grantees.

Not all grants require progress reports or ad-hoc reports.

You must submit reports in line with the grant agreement. [If applicable] We will provide sample templates for these reports as appendices in the grant agreement. [If applicable] You will also be able to download them from [insert website name and link]. [If applicable] We will remind you of your reporting obligations before a report is due. We will expect you to report on:

- progress against agreed [grant activity] milestones and outcomes
- [if appropriate] contributions of participants directly related to the [grant activity or project/services]
- expenditure of the grant.
- [insert any further details]

The amount of detail you provide in your reports should be relative to the size, complexity and grant amount.

[If applicable] We will monitor progress by assessing reports you submit and may conduct site visits or request records to confirm details of your reports if necessary. Occasionally we may need to re-examine claims, seek further information or request an independent audit of claims and payments.

Progress reports [If applicable]

Progress reports must:

- include evidence of your progress towards completion of agreed activities and outcomes
- show the total eligible expenditure incurred to date
- [include evidence of expenditure]
- be submitted by the report due date (you can submit reports ahead of time if you have completed relevant activities).

We will only make grant payments when we receive satisfactory progress reports.

You must discuss any reporting delays with us as soon as you become aware of them.

Ad-hoc reports [If applicable]

We may ask you for ad-hoc reports on your grant. This may be to provide an update on progress, or any significant delays or difficulties in completing the [grant activity or project/services].

Final report [If applicable]

When you complete the [grant activity or project/services], you must submit a final report.

Final reports must:

- identify if and how outcomes have been achieved
- include the agreed evidence as specified in the grant agreement
- identify the total eligible expenditure incurred
- be submitted within [XX days] of completion in the format provided in the grant agreement.

12.3 [Financial declaration] [Audited financial acquittal report]

Template Instructions: The stringency of acquittal procedures should be balanced against the level of risk, based on consideration of the risks involved with the grant activity, the grantee and the costs of compliance.

There are no mandatory acquittal requirements for grantees in the CGRGs.

Delete this section if declarations or audits are not required for the grants

We may ask you to provide a declaration that the grant money was spent in accordance with the grant agreement and to report on any underspends of the grant money.

[or] [We may ask you to provide an independently audited financial acquittal report. A financial acquittal report will verify that you spent the grant in accordance with the grant agreement. The financial acquittal report template is attached to the sample grant agreement.

[insert any relevant details]

12.4 Grant agreement variations

Template Instructions: This section is optional, delete if not relevant. Use this section where variations to the grant agreement are allowed. The details will be included in the draft grant agreement that applicants may read.

We recognise that unexpected events may affect your progress. In these circumstances, you can request a variation to your grant agreement. You can request a variation by [insert details].

You should not assume that a variation request will be successful. We will consider your request based on provisions in the grant agreement and the likely impact on achieving outcomes.

12.5 Compliance visits

We may visit you during or at the completion of your grant activity to review your compliance with the grant agreement. We will provide you with reasonable notice of any compliance visit.

12.6 Record keeping

[If applicable] We may also inspect the records you are required to keep under the grant agreement.

[insert any relevant details]

12.7 Evaluation

Template instructions: The PGPA Act and the CGRGs require appropriate performance and evaluation mechanisms to be developed as part of any government financial activity. If successful applicants are required to provide information following acquittal to assist in the evaluation, this information and the relevant details should be provided in this section. Provide examples of the types of additional information that would be sought.

We will evaluate the grant [program][opportunity] to measure how well the outcomes and objectives have been achieved. We may use information from your application and reports for this purpose. We may also interview you, or ask you for more information to help us understand how the grant impacted you and to evaluate how effective the program was in achieving its outcomes.

[If applicable] We may contact you up to [one] year after you finish your grant for more information to assist with this evaluation.

12.8 Acknowledgement

Template instructions: This section is optional, delete if not relevant.

The program logo should be used on all materials related to grants under the program. Whenever the logo is used, the publication must also acknowledge the Commonwealth as follows:

[program name] – an Australian Government initiative’.

[or]

If you make a public statement about a [grant activity or project/services] funded under the program, we require you to acknowledge the grant by using the following:

‘This [name of grant activity or project/services] received grant funding from the Australian Government.’

13.2 Conflicts of interest

Any conflicts of interest could affect the performance of the grant opportunity or program. There may be a conflict of interest, or perceived conflict of interest, if [relevant Commonwealth entity's] staff, any member of a committee or advisor and/or you or any of your personnel:

- has a professional, commercial or personal relationship with a party who is able to influence the application selection process, such as an Australian Government officer [or member of an external panel]
- has a relationship with or interest in, an organisation, which is likely to interfere with or restrict the applicants from carrying out the proposed activities fairly and independently or
- has a relationship with, or interest in, an organisation from which they will receive personal gain because the organisation receives a grant under the grant program/ grant opportunity.

You will be asked to declare, as part of your application, any perceived or existing conflicts of interests or that, to the best of your knowledge, there is no conflict of interest.

If you later identify an actual, apparent, or perceived conflict of interest, you must inform the [relevant Commonwealth entity] in writing immediately.

- who we give your personal information to.

Your personal information can only be disclosed to someone else for the primary purpose for which it was collected, unless an exemption applies.

The Australian Government may also use and disclose information about grant applicants and grant recipients under this grant opportunity in any other Australian Government business or function. This includes disclosing grant information on GrantConnect as required for reporting purposes and giving information to the Australian Taxation Office for compliance purposes.

We may share the information you give us with other Commonwealth entities for purposes including government administration, research or service delivery, according to Australian laws.
