nd 1	5
Centre for Obesity, Diabetes and Cardiovascular Disease (CODCD)	
Peter Doherty Institute for Infection and Immunity	
Institute for Photonics and Advanced Sensing	
SMART Infrastructure Facility	
World-class veterinary science facilities - The University of Queensland School of Veterinary Science - Gatton Campus	
Hearing Hub	
New Horizons Centre at Clayton campus	
The International Microsimulation Centre: A Research and Professional Development	
Facility for the National Centre for Social and Economic Modelling.	
RMIT Design Hub	
Energy Technologies Building	
Materials and Minerals Science Learning and Research Hub	
er Education Teaching and Learning Capital Fund	5
nd 2 Advanced Engineering Building	g
Leadership in Advanced Surgical Education	
Engineering Pavilion	
Science and Technology Precinct	
Heavy Vehicle Facility, Dubbo College	
Macarthur Building Industry Skills Centre	
Chadstone Campus Development	
Training Centre for Traditional Trades in Echuca	
Low carbon economy Centre	
A New Facility for Early Childhood Development, Vocational College and Related Services	
Sustainable Hydraulic Trade Centre	
La Trobe Institute for Molecular Sciences	
Smart State Medical Research Centre	
Sydney Institute of Marine Science	
The Centre for Neural Engineering	
Science and Engineering Precinct	4
National Life Science Hub	4
Transformed Graduated Learning Spaces	4
La Trobe University Rural Health School	4
Gateway @ College of Fine Arts	4
The Australian Centre for Indigenous Knowledge and Education	
Stage 2 of the Chemical Sciences Hub	
The Silverwater Learning Centre	
Shellharbour Campus Children's Services Training Facility	
Manufacturing Technology Training Centre	
Rural VET Infrastructure	
Mobile Traditional Trades Training Facility	
Institute for Marine and Antarctic Studies	+
Australian Institute for Innovation Materials	
Centre for Climate Change and Energy Research	+
National Centre for Synchrotron Science	
er Science	9
SKA Science/HPC Centre - Square Kilometre Array	
Astronomy Australia Ltd	
Replacement of Australia's National Marine Facility	
IMOS (Integrated Marine Observing System)	
Tropical Marine Research Facilities - AIMS	
TERN (Terrestrial Ecosystem Research Network)/	
DRO (Daintree Rainforest Observatory	
Climate High Performance Computing	
Climate geoscience
