

WoAG Travel Advice 2016/26: Release of Accommodation Program Management Services Request for Tender

Date of issue: 2 December 2016

Dear Entity Travel Manager

The Department of Finance (Finance) has released a Request for Tender (RFT) for the provision of Accommodation Program Management Services for the Australian Government.

This new arrangement will replace the existing Accommodation Program Management Services.

Entities are reminded that the probity principles for Government procurement apply. The procurement policy and guidance relating to [ethics and probity](#) are available on Finance's website.

Entities can continue to interact with AOT or as necessary for day-to-day operational issues, but should not discuss any aspects of the procurement including requests for information.

Any requests for information relating to this procurement should be directed to the Finance Tender Team by email at hoteltender@finance.gov.au.

Thank you for your diligence with this matter.
