

Whole of Australian Government Travel Arrangements Advice 2014/14 – Notification of Release – Travel Management Services Tender

12 May 2014

Agency Travel Managers

As per advice 2014/13, Finance has released a Request for Tender (RFT) for Travel Management Services for the Australian Government.

This RFT is for the services currently being provided by the panel of travel management companies (TMCs) implemented under Phase 1 of the Whole of Australian Government travel arrangements.

Agencies are reminded that the probity principles for Government procurement apply. The procurement policy and guidance relating to [ethics and probity](#) are available on Finance's website.

Agencies can continue to deal with their TMC for day-to-day operational issues, but should not discuss any aspects of the procurement including requests for information from any TMC.

Any requests for information relating to this procurement should be directed to the Travel Tender Team by email at traveltender@finance.gov.au

Thank you for your diligence with this matter.
