6 May 2015

Travel Managers

It has been brought to Finance's attention that an entity has recently received unauthorised phone contact from a company/individual purporting to be from one of the WoAG panel airlines.

Entities are reminded to please check that all phone contact received from any of the panel airlines is legitimate.

If you are unsure of the legitimacy of the person, or the details that this person is requesting seem out of place with usual business practices, please do not divulge any personal information or financial details.

Contact your relevant Airlines Account Manager to discuss whether the request is legitimate.

Please contact TCMS at tcms@finance.gov.au or (02) 6215 2447 if you require any further information on this Advice.
