List of Commonwealth entities and companies under the Public Governance, Performance and Accountability Act 2013 (PGPA Act) | 30 May 2019

---

1 **General Government Sector** means that the agency is classified in Government Finance Statistics in the General Government Sector.

- The GGS sector, public non-financial corporations and public financial corporations are classifications based on those used by the Australian Bureau of Statistics and comply with international standards.
- The primary function of entities classified in the GGS sector is to provide public services that are mainly non-market in nature, and for the collective consumption of the community, or that involve the transfer or redistribution of income. These services are largely financed through taxes and other compulsory levies, although user charging and external funding have increased in recent years.
- All non-corporate Commonwealth entities are classified in the GGS sector.

2 **Material** means “material entity” as classified by the Department of Finance. This means that the body is included in the group of Commonwealth entities which together make up at least 99% of total revenues, expenses, assets and liabilities based on the audited financial statements of those entities amended for known changes to materiality. Material entities are required to produce more detailed financial information than non-material entities, for the purposes of providing monthly, end-of-year and estimates reports to the Department of Finance. 18 Departments of State are “material in nature”.

- **Statutory Agency** (recorded against some bodies in the far right hand column) means the agency is identified in its enabling legislation as a Statutory Agency for the purposes of the Public Service Act 1999, whereby the legislation provides for the Agency Head to employ APS employees for that Agency.

- **Executive Agency** (recorded against some entities in the far right hand column) means the agency has been made an Executive Agency, through an Order made by the Governor-General, under subsection 65(1) of the Public Service Act 1999, whereby the Agency Head employs APS employees for that Agency.
