**BUILDING OUR ECONOMY.
SECURING YOUR FUTURE.**

To Residents in the
Federal Electorate
of Moore

Dear Resident

Next month, you will face an important choice about who you want to govern Australia.

It's a choice between our plan for a stronger Australia or Bill Shorten and Labor's \$200 billion of higher taxes - on retirees, housing, incomes, investments, family businesses and electricity.

A strong economy and a secure nation are the foundations of a stronger Australia. The Morrison Government has a plan to:

1. Create 1.25 million **more jobs** over the next five years.
2. Maintain Budget surpluses and **pay down debt**.
3. Deliver **tax relief** for small businesses and families.
4. Guarantee increased investments for **schools, hospitals and roads**.
5. **Keep Australians safe** and our borders secure.

We will build on what we have achieved so far. For example, this year the Government is returning the Budget to surplus for the first time in over a decade. **We've fixed the GST formula, providing WA with around \$5 billion in extra funding.**

Locally, we are upgrading roads, expanding Joondalup Health Campus, and increasing education funding.

We're getting on with the job. With your support, the Morrison Government will work to build our economy and secure your future.

Yours sincerely
