Eric Abetz
Senator for Tasmania

Dear fellow Tasmanian

Celebrities and the media are telling us to change marriage from how it's always been – a man/woman bond. Their slogans are designed to trick us into ignoring the real consequences. We can learn from the very few countries that have changed marriage. The consequences are there for all to see:

- Compulsory radical gay sex education in schools
- Parental rights rejected
- Freedom of Speech restricted
- Freedom of Religion impacted

That's why I'm asking that you consider the consequences and vote NO in the marriage postal survey to protect future generations from the consequences of changing marriage.

Eric Abetz

It's okay to vote NO

People are already being bullied for what they think. Imagine how much worse it would be if the laws were changed.

**If you believe in free speech, vote NO.
If you believe in parents' rights, vote NO.**
