

FOI 18/101 - Traffic infringements for COMCAR Vehicles (1 January 2017 to 31 October 2018)**Notes:**

1. Data is as at 31 October 2018. Report includes penalty notices with an offence date between 1 January 2017 to 31 October 2018.
2. Report includes all traffic and parking offences initially issued to a vehicle identified as a COMCAR.
3. Report has been extracted from COMCARs vehicle fleet provider portal.
4. Traffic infringements, fines, parking fines or other infringements incurred by COMCAR drivers are the responsibility of the driver and are not paid nor reimbursed from public monies.
5. Finance only holds records of infringement notices as originally processed. We do not hold any infringements reissued to individual drivers. Accordingly, infringement amounts below are corporate rates and are not reflective of actual penalties incurred at the individual rate which vary from state to state.
