NorthConnex

NorthConnex is one of the most significant federally funded infrastructure projects in Australia. Linking the M1 to the M2, NorthConnex will take 5,000 trucks off Pennant Hills Road every day.

Due for completion by the end of 2019, NorthConnex remains on time and on budget.

The Federal Government has committed \$412 million towards NorthConnex, including money for the remediation of the Hornsby Quarry which now has more than 30 per cent of the infill already delivered.

On 18 September, NorthConnex tunnelling reached its halfway point. I joined NSW Premier Gladys Berejiklian and Federal Minister for Urban Infrastructure Paul Fletcher to inspect progress.

In 2018, tunnel excavation will be completed and the mechanical and engineering fit out stage of construction delivered.

I am proud of the Federal Government's commitment to improving road infrastructure in Berowra through NorthConnex.

Broadband and Mobile Black Spots

Telecommunications remains a key issue in Berowra. Residents understandably get frustrated when they can't make a phone call or use the internet.

That's why I have been fighting for better services for Berowra.

- ✓ wrote to the CEOs of both Telstra and NBN Co to highlight the difficulties residents in my electorate are facing
- ✓ organised four public forums in Pennant Hills, Dural and Arcadia
- ✓ provided opportunity for more than 200 residents to speak directly to Telstra and NBN Co
- ✓ delivered a new Mobile Blackspot Tower in Sackville
- ✓ rollout commencing on Crosslands Reserve and Brooklyn Towers in 2018.

I will keep working with our community to get better telecommunications across Berowra

Here to help | Helping local residents access federal government services

"I am very grateful for Julian's efforts to raise Telstra's awareness of the lack of service available in Arcadia. I am sure these efforts have made and will continue to make a real difference. Keep up the good work!"

- Matt, Arcadia

"My son's trouble with NDIS was satisfactorily resolved by Julian... I am profoundly grateful. I could not see any possible resolution. Thank you so much."

- Jacqui, Hornsby

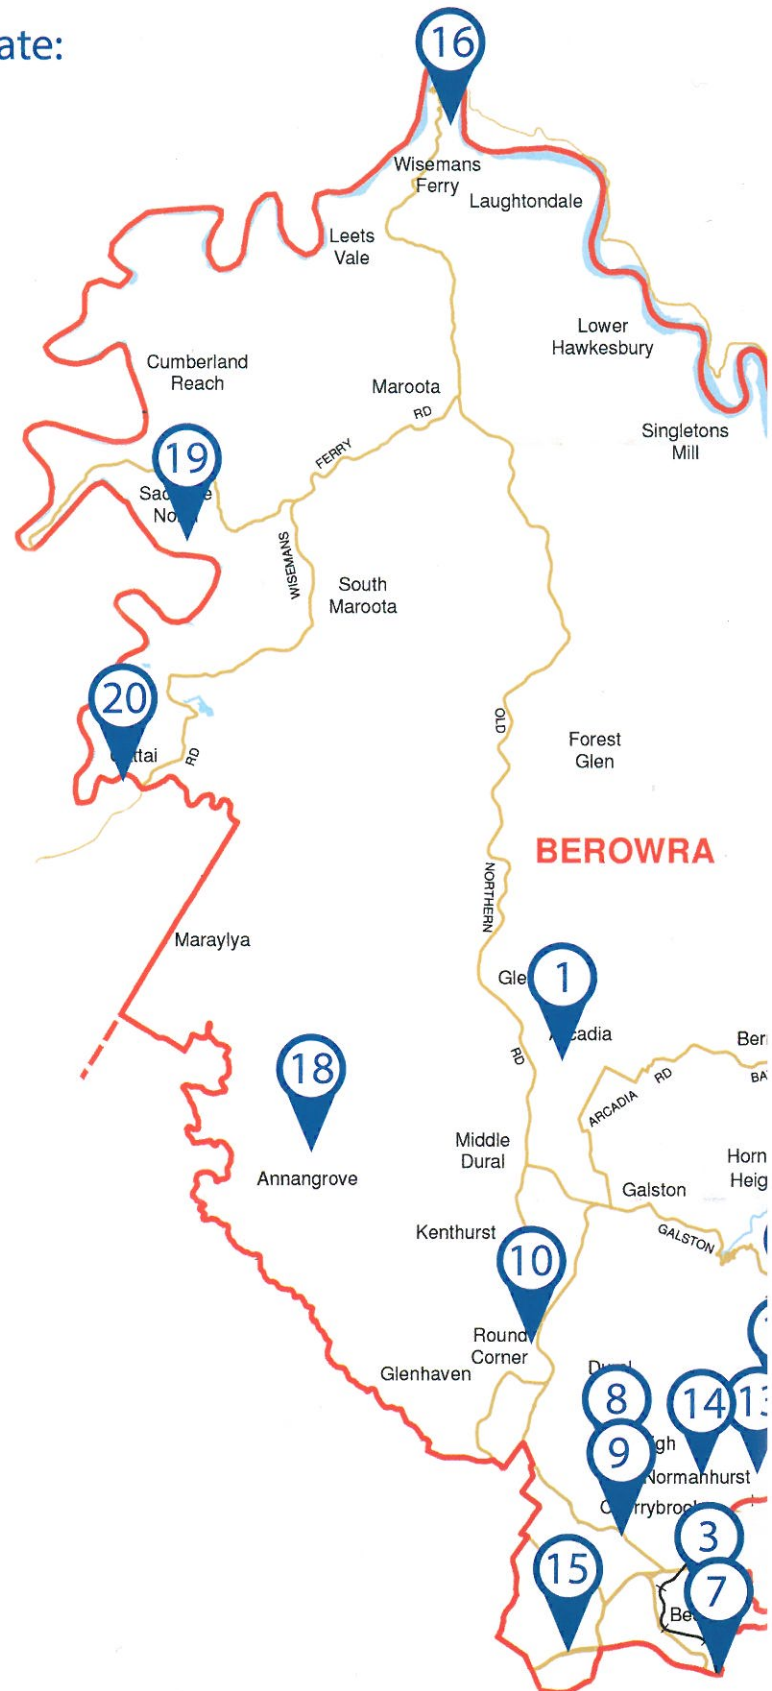

"I met Julian at a community catch-up. He took on my case and helped me access permanent accommodation for myself and my children."

- Sarah, Hornsby Heights
