- 
An Innovation and Science Agenda – bringing more great Australian ideas to market, providing tax incentives to invest in startups and helping prepare our children for the jobs of the future by boosting participation in science, technology, engineering and maths (STEM).
- 
Backing small business – with the lowest small business tax rate in half a century, new instant asset write-offs and reduced red tape. We will also introduce landmark reform of Australia's competition laws, to help small and medium companies compete with larger, established ones.
- 
Boosting exports – with export trade agreements with China, Japan and Korea, giving our farmers a competitive edge and opening doors into expanding markets for our service industries.
