ANNA BURKE MP FEDERAL MEMBER FOR CHISHOLM

APRIL 2016

THANK YOU AND FAREWELL

As you may be aware, I have announced that I will not be standing for seat of Chisholm again at the federal election to be held in the coming months.

I want to thank you all for the joy and honour of representing you and this wonderful community in the federal parliament for the past 18 years.

Working in this seat, helping constituents and engaging with this community is what I have thrived on. Of course, I will still be here to assist you and your family in any way I can right up until I cease to be your local Member.

I am pleased to let you know that the new Labor Candidate for Chisholm is Stefanie Perri. I have known Stefanie for many years, she is an amazing woman with a genuine desire to represent the community she lives in.

These suburbs are her home. Having been born here (and now raising her young family here) just like everybody else juggling work, school, church, kinder, swimming lessons etc. she knows the joys and frustrations that impact all our lives every day.

You deserve great representation.

I know that many people in our community are very disappointed that Mr Turnbull has not kept his promise to engage in an intelligent and reasoned policy debate, instead reverting to the Abbott-style negative slogans which have been hindering the progress of our economy.

It has been the Labor party that has led the policy debate with policies focussed on job creation and economic growth. Labor has a positive plan to reform the budget by closing tax loopholes, ending unaffordable tax subsidies and making multi-national companies pay their fair share to ensure that our local schools and life-saving hospital services are properly funded.

Thank you again, for the honour of representing you and best wishes.

LABOR INVESTMENT PUTS MONASH HOSPITAL AT THE FOREFRONT OF MEDICAL RESEARCH

MONASH MEDICAL CENTRE IN CLAYTON IS NOW HOME TO THE STATE-OF-THE-ART MONASH HEALTH TRANSLATION PRECINCT

A specialised centre which is focussed on bringing the latest medical research into clinical treatment of patients. The \$71 million centre was funded by the former federal Labor Government and has immediately gotten underway advancing new medical discoveries such as preventing unborn babies from developing cerebral palsy which has been pioneered by Monash University's Professor Euan Wallace and Dr Suzie Miller.

Bridging the gap between medical research and clinical treatments means that patients are more likely to receive access to life saving medical advancements sooner. It also cements Monash Medical Centre as one of Australia's leading medical research and treatment facilities.

I was very pleased to tour the new facility with Labor Candidate for Chisholm, Stefanie Perri.

CELEBRATING CHINESE NEW YEAR

It was a great pleasure to visit the Monash Chinese Friendship Association to help celebrate the Lunar New Year. It has been such a joy to represent a vibrant and multicultural community with so many wonderful community groups like the Monash Chinese Friendship Association, who work very hard to advance harmony and peace in our society. It was also wonderful to participate in Chinese New year celebrations.

New Eastern Innovation Business Centre Now Open

The Eastern Innovation Business Centre (EIBC) is now open for business. The new business innovation hub is a brand new hi tech business incubator for innovative small business and start-ups. This cutting edge facility for dynamic and passionate people with entrepreneurial flair who want to commercialise their innovative ideas and has been made possible thanks to a \$4.75 million investment by the previous federal Labor Government. Information on your small or home-based innovative business can apply to use the centre is available at www.eibc.net.au.

CELEBRATING YOUNG LEADERS

Young people are the leaders of tomorrow and our local schools do an amazing job instilling strong leadership values and qualities in their students. It's one of the great pleasures of my job to be able to visit local schools and present school and house captains with their leadership badges. It was terrific to meet the young leaders at both Syndal South Primary School and Pinewood Primary School.

OAKLEIGH REMEMBRANCE DAY

The spirit of remembrance is alive and well in Oakleigh. It is always an honour to join our community to reflect upon the losses of war and the impact it has had on the countless families and communities whose loved ones went to fight for our country and never returned. There is always a large turnout for our ANZAC dawn services and Remembrance Day services and I encourage you to attend a local service this ANZAC day.

ASHWOOD HIGH SCHOOL REDEVELOPMENT

Ashwood High School is booming. It was an enormous honour to join with Education Minister James Merlino and Labor Candidate for Chisholm, Stefanie Perri to turn the sod on the next stage of an impressive \$5 million upgrade to the school's facilities. This amazing local high school is growing rapidly with increased student numbers, great quality teachers and great results. I'm also very pleased that that the Minister recently approved a name change for the school from Ashwood Secondary College to Ashwood High School and I was very happy to successfully advocate to the Minister for the change on behalf of the school.

MUMS 4 REFUGEES

Local mothers have come together to work towards an Australia that is fair, just and inclusive, and which treats asylum seekers and refugees with dignity and compassion.

The new group is called Mums 4 Refugees and they are seeking the involvement and support of mothers from all cultural, social and political spectrums who want to see a compassionate and inclusive approach taken towards people who arrive as asylum seekers and refugees. To find out more visit www.mums4refugees.org.au

ESSEX HEIGHTS FLAG PRESENTATION

AS YOUR FEDERAL MEMBER OF PARLIAMENT I AM ABLE TO PROVIDE LOCAL SCHOOLS, COMMUNITY GROUPS AND ORGANISATIONS WITH AUSTRALIAN, ABORIGINAL AND TORRES STRAIT ISLANDER FLAGS ON REQUEST.

I recently provided some new flags to Essex Heights Primary School in Mount Waverley and was once again impressed with the depth of knowledge and understanding young students have about flag, its history and symbols. If you are part of an organisation in need of a new flag, please do not hesitate to contact my office.

CONGRATULATIONS FOR A SPECIAL OCCASION

If you know of an older person who has a special birthday coming up or a couple who will soon be celebrating their golden or diamond anniversary, Anna can help you recognise these important milestones.

Just call Anna's office on 9802 0566 to organise congratulatory messages from the Prime Minister, Premier, Queen, Governor-General and local MPs where eligible.

LOCAL GRANTS FOR LOCAL ORGANISATIONS

The Chisholm Stronger Community Grants Committee, which is made up of members of our local community and Councillors from the City of Monash and Whitehorse have approved more than \$150,000 worth of grants for local organisations including Oakleigh Bowling Club, Mount Waverley City Soccer Club and Ceres Calisthenics Club. The grants are funding much needed infrastructure upgrade for these great local clubs and I would like to acknowledge the hard work of the committee in ensuring that our community has gotten the best value for money.

CLEAN UP AUSTRALIA DAY

As usual it was great to see so many people from across the community come out and clean up a part of their neighbourhood on Clean Up Australia Day. I joined a great team of locals at Springfield Park in Box Hill North where we removed plenty of rubbish. The health of our environment is critical for our children's future and every bit of rubbish we can remove from parklands and public spaces is rubbish that doesn't end up in our drains and oceans.

CHINESE NEW YEAR

Once again, Lunar New celebrations in Box Hill reached record attendance levels, with people from right across our community and city making their way to Box Hill to celebrate Chinese culture and welcome the year of the Monkey. Congratulations to the Asian Business Association Whitehorse (ABAW), Whitehorse Council and local police on yet another terrific well run event that offers something to our entire community.

LABOR TO FUND TRANSPORT IMPROVEMENTS IN BOX HILL

We need to keep our wonderful neighbourhoods liveable. The rapid rate of development

in Box Hill has put enormous pressure on our suburbs and local infrastructure, with more than 20,000 people using the Box Hill transport interchange every day. I was very pleased to join Shadow Minister for Infrastructure and Cities, Anthony Albanese and Labor Candidate for Chisholm, Stefanie Perri, to announce that if elected a Federal Labor Government will deliver \$100,000 to the business case of a redevelopment of the Box Hill Transport Interchange at Box Hill Central. The current facilities are 30 years old and do not meet the needs of the community. This follows the work done by Stefanie Perri during the 2014 Victorian election campaign to establish a Ministerial Advisory Group made up of local community leaders and the management of Box Hill Central, who are currently developing the options for the redevelopment.

COMMUNITY HAS SAY AT EASTERN SUBURBS TOWN HALL EVENT

Local residents in the eastern suburbs packed out a special Town Hall event with Labor Leader Bill Shorten. It was great to see so many people come out and discuss the issues which are vital to our nation's future, from local jobs, education and the state of our health and Medicare system. Under the Liberals our schools and hospitals will continue to lose funding and will struggle to meet the needs of our community.

SUPPORTING LOCAL BUSINESS BOX HILL

Small businesses are the back bone of our local economy, generating thousands of local jobs and contributing to our vibrant and diverse community. It was great to join Stefanie Perri to meet with local businesses owners group, the Asian Business Association Whitehorse (ABAW) at one of their regular breakfast events in Box Hill to talk about the issues facing small businesses in our community.

DEAKIN UNIVERSITY BETRAYS COMMUNITY

I have always stood for the rights of residents and was outraged when Deakin University secretly lobbied the Minister for Planning to call-in and approve the controversial bridge that will cut through community parkland on Gardiners Creek Reserve.

I have fought with resident for more than a decade to prevent this enormous bridge from destroying our parkland. It is hard for local residents like us to feel confident in our planning system when the voice of residents and our community are shut out of decision making which affects us all.

I know that Labor Candidate for Chisholm, Stefanie Perri will join residents to continue fighting for our community.

MORE FOREIGN AID

YOUNG PEOPLE IN CHISHOLM ADVOCATING FOR MORE FOREIGN AID

Members of VGEN, World Vision's youth movement are continuing their campaign for more foreign aid and I am pleased to continue supporting this goal so that some of the world's most vulnerable people receive the assistance they deserve.

LOCAL GRANTS FOR LOCAL ORGANISATIONS

The Chisholm Stronger Community Grants Committee, which is made up of members of our local community and Councillors from the City of Monash and Whitehorse have approved more than \$150,000 worth of grants for local organisations including Box Hill Athletics Centre, East Burwood Cricket Club and Friends of Wattle Park. The grants are funding much needed infrastructure upgrade for these great local clubs and I would like to acknowledge the hard work of the committee in ensuring that our community has gotten the best value for money.
