Labor is for better health

The Liberals have already cut billions from Medicare and now they want to privatise Medicare payments.

All Australians should have access to affordable healthcare when and where they need it.

Not an expensive American style system where your credit card determines the level of healthcare you receive.

Labor created Medicare and only Labor will protect Medicare.

Liberals' cuts to healthcare will hurt families

Australia's universal healthcare is under threat from Mr Turnbull and the Liberals' cuts.

The Liberals' cuts to healthcare will hurt every family by:

- ✗ increasing doctor fees and reducing bulk billing
- ✗ pushing up the cost of essential prescription medicines
- ✗ privatising the Medicare payments system
- ✗ making patients pay more for crucial tests and scans

Labor is the only party that stands for the right of all Australians to quality health care, regardless of income or background.
