

This table includes data on government employees travel between 1 February and 30 November 2022:

- air travel to/from Venezia, Italy
- air travel where a multi-destination trip included travel through Venezia, Italy
- cabin class travelled
- number of travellers
- total cost of trips (including full amount of multi-destination trips that include Venezia, Italy)

Cabin Class	No. of Travellers	Expenditure
First Class	0	\$0.00
Business	3	\$28,652.53
Economy	10	\$20,464.52
Premium Economy	1	\$534.90
Grand Total	14	\$49,651.95

Note: The data for business class tickets and expenditure includes 2 tickets for multi-leg international trips worth \$11,000+ each and the full amount of the entire trip has been included in this data but the actual trip to Venice would be a smaller portion.
