3	Signage at Boat Ramp	It was raised that a sign should be installed at the boat ramp to notify the fisherman that enter the parkland during shooting events. § 47E and § 47E investigated post the meeting. § 47E to send through proposal. Sign will need to be amended to notify people that the range is in use but remove the open/close parts. § 47E to progress, § 47E sent updated pictures of the proposed areas. § 47E to follow up on signage and provide update.
4	Incident Reporting/Notification	NSWRA and NPWS to put in place a procedure to notify each other of any incidents and what is reportable and what's not. It was agreed that any type of incident would be circulated to the range user's group for appropriate action. § 47E to circulate clearance protocol and invite the AFP to discuss shooting events. § 47E to provide AFP response to incident on 14/05/19 to § 47F for internal response. § 47F - Person to follow up.
5	Security during shooting events	NSWRA to discuss guarding requirements at shooting events. NPWS advised that the location of the guards is not consistent during events. NPWS preference for picquets to be stationed at gated entry points but acknowledges range licencing authority has final decision. NSWRA to provide safety guidelines for the site. § 47E advised that she will be meeting with board to discuss security requirements on shooting events to ensure there is consistency for guarding placement and provide safety guidelines. § 47E advised that a new camera will be installed for the front gate. New Camera installed at front gate but was damaged and currently not operational.
6	Fences and Gates	§ 47E advised that monthly inspections/repairs of gates are occurring on site. § 47E completed a permitter inspection after the meeting with all looking in good repair. Monthly Maintenance continues for the perimeter fences and gates. § 47E will provide § 47E with weekly fence report which will be issued to Fencing contractor for repairs. § 47E raised concerns about Fencing contractor attending site on monthly basis as per BRSP Planned maintenance schedule. Contractor may not be reporting to Admin office or signing in when on site. § 47E to follow up with contractor. NSWRA check fence status prior to any shooting event. § 47E will only send through fencing issues, if repairs are required. The following internal gates are still outstanding; 700 metre access gate and Fisherman's car park gate. § 47E to follow up.
7	Website Information/Messaging	NPWS, NSWRA and Randwick Council all agreed that each other's website need to be checked and updated to ensure information is up to date and relevant. All parties to discuss implanting procedures to ensure this takes place. NSWRA to confirm if they are open on Monday 1 st and 2 nd October (Public Holiday) General note to

10	Reserve Fire Management Strategy	§ 47E to circulate for comment/feedback/endorsement § 47E to follow up
11	Weed Control	§ 47E to provide monthly report for NPWS information. § 47 to follow up with contractor Toolijooa
12	NSPW Capital Funding	§ 47E advised that NSPW had some capital funding approved and were looking at completing the walking track at the eastern part of the park. § 47E to circulate program when available and discuss further with NSWRA around the impact on their program when the AFP conduct mid-week shooting. § 47 provided update. Two projects to upgrade walking tracks. One complete, the other still at procurement stage. § 47 to confirm funding approval and further discussion required with RA.
13	NSPW Fire Reduction	§ 47E advised of upcoming back burns around the property. § 47E requested plenty of notice to allow SEEC to make the appropriate arrangements for the horses on site. § 47 provided update Hazard reduction burns due date to be confirmed. Still working with local council on three major hazard reduction burns, currently working with all stakeholders, nothing to occur until autumn next year.
14	NSPW request for Asset Information	§ 47E requested advice back from Range User Group on Assets on site to incorporate into Reserve Fire Management Strategy. SEEC, NSWRA and BRSP to provide information to § 47E Confirm Asset lists provided to incorporate into Reserve Fire Management plan. Asset lists could be held in NSWRA admin office. This can then be provided to local Fire Brigade. § 47 suggested if asset lists can be laminated and held outside, particularly when out of office hours.
15	Sign in Register	§ 47 requested any contractors visiting the NSWRA sign in at the office. § 47E has advised all BRSP contractors.

No	Item	Discussion
		S₄₇ to contact BRSP contractors to reinforce the need to sign register when on site. Sign in register held in Admin office. If contractors attend site out of office hours, contractor to send email informing Admin office date and time of attendance on site.
16	Perimeter Security	<p>S_{47E} to look at options to re-keying the site so there is ONE key to all permitter gates and internal gates. S_{47E} to look at options for front gate to allow access to site outside NSWRA licence agreement hours. S_{47E} to review with S₄₇ the perceived breach of NSWRA license with the shutting of the site at the close of business as the 2 licenses in place does not factor in one another. S_{47E} to arrange for more padlocks and keys to be supplied to S₄₇.</p> <p>S₄₇ raised concerns with securing main gate. Gates are generally locked at 5pm, other than shooting days. SEEC have early opening and late close. This creates issues with security access to sit. S₄₇ to discuss with Finance of possible alternate security options i.e. swipe card access/Pin code. access.</p>
17	NSWRA Caretaker	S₄₇ advised that NSWRA is investigating options for a caretaker role that will be based on site. S₄₇ provided update on caretaker role NSWRA to make decision in the next month.
18	New Item –	S₄₇ provided information in relation to several illegal parties occurring on site and to ensure local police are informed. NSWRA identified illegal structure on site, Northern boundary. BRSP currently working with contractor to remove structure. S_{47E} Recommend all stakeholder report any incident on site to local police.
