

OFFICIAL:SensitiveAI in Government Action Plan — For Agency Comment:

The AI in Government Action Plan (AIGAP) is seeking:

- Agency comments on the proposals listed in Table 1 and indication of your interest in joining any future cross-agency roundtables on particular proposals.
- Agency response to ‘consultation questions’ on the **s 47C** proposal on Table 2.

Please provide comments via email back to aiaction@finance.gov.au

We are seeking comment by **COB Friday 18 July 2025**.

We welcome comments from both policy areas as well as IT areas (inc. Accountable Officials, CISOs and similar). Agencies can provide a single consolidated response, or a series of responses as suits them.

Background

The AI in Government Action Plan (AIGAP) Tiger Team is seeking early engagement by agencies on proposals being developed for an AI in Government Action Plan. **s 47C**

[REDACTED]

[REDACTED]

The AIGAP would also support the development of the government’s narrative around the adoption of AI in government **s 47C**.

An outline of the high-level deliverable is overleaf, which packages up the list of proposals at Table 1 in three buckets **s 47C**

The AIGAP Tiger Team are happy to discuss any of these proposals in more detail.

Thank you for your time and engagement with the AI in Government Action Plan.
