EXPLANATORY NOTES RELATING TO FORMER PARLIAMENTARIANS' EXPENDITURE FOR THE PERIOD 1 JULY TO 31 DECEMBER 2011

Background

On 27 September 2001, the then Prime Minister announced that expenditure by former Governors-General, former Prime Ministers, other Life Gold Pass holders, severance travel beneficiaries and surviving spouses or de facto partners of certain eligible former Parliamentarians, arising from benefits granted to them in recognition of public service, would be publicly disclosed.

The statement further indicated that this disclosure would be done on a six-monthly basis as a separate statement tabled in conjunction with the standard statement of Parliamentarians' expenditure. The document would contain the same level of detail, in the relevant category, as for Parliamentarians.

Process of Compilation

The Department of Finance and Deregulation (Finance) prepared reports regarding the expenditure and adjustments of travel costs, and, where applicable, family travel costs and costs of office facilities and office administration, for former Prime Ministers, other Life Gold Pass holders, severance travellers, surviving spouses or de facto partners of former Prime Ministers and surviving spouses or de facto partners of other Life Gold Pass holders.

The detailed information was provided to each person in order for him or her to clear the documentation or advise of any corrections required. When such advice was provided to Finance, it was checked against the source data (such as invoices and records of payment). Provided these agreed with the amendments advised by the individual former Parliamentarian or surviving spouse or de facto partner, Finance's records were adjusted and the draft tabling document was amended.

A copy of amendments was provided to each former Parliamentarian or surviving spouse or de facto partner who requested changes. Finally a set of the individual's documents in the tabling format was provided for information.

Based on the process outlined above, the information contained in this document is considered to be an accurate statement of payments made, and receipts, during the period 1 July to 31 December 2011 in respect of entitlements for eligible former Parliamentarians and surviving spouses or de facto partners.

Notes on the information tabled

The Tabled report relates to *payments made*, and *receipts received*, by Finance, for the period 1 July to 31 December 2011 for entitlements of former Parliamentarians. For example, in regards to travel entitlements, this is not necessarily for travel *actually undertaken* during the period. This is due to the fact that travel accounts (payments and receipts) are sometimes processed in a reporting period other than when the travel takes place. The reasons may include advance bookings made and paid for in one period and used in a subsequent reporting period and re-crediting costs in a later period for a cancelled booking in an earlier period. Where applicable, other entitlements may have similar accounting and processing issues.

Goods and services purchased by Finance on behalf of former Parliamentarians are reported exclusive of recoverable Goods and Services Tax (GST). This is in accordance with the requirement that all agencies report all expenditure as exclusive of recoverable GST.

Appropriate annotations have been made on the documentation.

The tabled information comprises:

- aggregate information on travel costs, and, where applicable, family travel costs and costs of office facilities and office administration for all eligible former Parliamentarians and surviving spouses or de facto partners; and
- summary information particular to each former Parliamentarian and surviving spouse or de facto partner on costs incurred by, and any repayments to, Finance on entitlements for two separate reporting periods:
 - expenditure paid between 1 July and 31 December 2011, relating to the entitlement period on or after 1 July 2011; and
 - expenditure paid between 1 July and 31 December 2011, relating to the entitlement period prior to 1 July 2011.

Supporting Information

The supporting information relating to the Tabled report is available on the Finance website and is also divided into two separate reporting periods:

- expenditure paid between 1 July and 31 December 2011, relating to the entitlement period on or after 1 July 2011; and
- expenditure paid between 1 July and 31 December 2011, relating to the entitlement period prior to 1 July 2011.

Former Governors-General

The Hon Bill Hayden AC travels under his Life Gold Pass holder entitlement and Finance meets the costs of his usage of scheduled services. The Department of the Prime Minister and Cabinet meets any other travel costs for former Governors-General.
