Hi Stephen, Andrew

Below FYI is a link and password to the evidence given by DCNS and Defence in the Naval Shipbuilding Inquiry. There is considerable evidence given in relation to ASC's role (or lack of) in the FSM project.

The evidence on ASC commences 15minutes into the video. CASG's evidence commences at 1:10:45mins.

I particularly draw your attention to the evidence given by Marc Ablong at the 1:30:23min mark of the video.

Kind regards  
Wendy
