US strikes nuclear sites

On Sunday 22 June 2025 at 0322 local time (0952 AEST), US President Donald Trump announced on [X](#) and [Truth Social](#) the US successfully attacked three nuclear sites in Iran, including Fordow, Natanz and Esfahan. The full post is as follows:

- 'We have completed our very successful attack on the three Nuclear sites in Iran, including Fordow, Natanz, and Esfahan. All planes are now outside of Iran air space. A full payload of BOMBS was dropped on the primary site, Fordow. All planes are safely on their way home. Congratulations to our great American Warriors. There is not another military in the World that could have done this. NOW IS THE TIME FOR PEACE! Thank you for your attention to this matter.' –President Donald J. Trump

GWO will continue to monitor and provide a Situation Report as new information becomes available.
