OFFICIAL

Hi s22

Thanks for confirming the below, I'm sure it will go smoothly again but please get in contact with s22 closer to the date just to reconfirm the plan, personnel on site and building access.

Also, for your information, we may have a MOU in place with the WA Government for use of the site in the case of a bushfire. If there is a bushfire and WA Government need to use the accommodation to house affected people, we will have to have a separate discussion if training can go ahead. I will keep you in the loop if I hear anything.

Happy to chat to clarify anything

Let myself and s22 know if there are any changes

Cheers

s22
