Hi S22

The attached is approved, I've just removed the coloured dates in January where the Kings tournament was to remove any confusion regarding those event dates.

Thanks

Hi S22

Can you please have them remove the Kings Championship from January and colour those days with the new schedule (mainly to reflect no Saturday Club Shoot as informed by S22).

Thanks.

Hi s22

I'm working through the reporting requirements and have just noted there is also a need to provide a Range User Calendar of proposed use of the shooting ranges for the following calendar year - Did s22 provide you with this plan? If so - can I get a copy? If not, I'll prepare one.

I have just noted that we are not to propose use for more than 5 days p/w. Can we request a special variation to this for this year? ie

Our championship event & city/country Teams is on Saturday & Sunday in June

We've moved the Kings Event to start the next Wednesday through to Sunday and have proposed to have a single morning event on the Monday & Tuesday that week to encourage people to travel here and to stay for the main event. That means 9 days of shooting - EXCEPT Monday & Tuesday afternoons.

Would this be acceptable or should I inform the new Board that this plan is not permitted?

Please advise asap if we need to remove the Monday & Tuesday morning comps from our calendar of events.

Thank you

Regards
